

January General Meeting

The meeting in January will feature the Sheridan office of the Wyoming Game and Fish Department. The program will feature a review of 2008 accomplishments and outline their agenda for 2009. Their program last year was very informative and well attended. Mark your calendar today as you won't want to miss this program.

Dues Are Due

Dues are due for the 2009 Calendar Year. If you haven't renewed, please do so at this time. Dues can be brought to a meeting or mailed to the return address on the newsletter.

Board Meeting

For the convenience of the officers and members, the board meetings are being changed from the first Wednesday of each month to the second Wednesday of each month, just prior to the general meeting. The board meeting will be held at 6:00 pm at the same location.

Fly Tying Clinics

Start thinking Fly Tying. BHMF/LBHTU will once again be offering fly tying classes in Spring 2009. These clinics will most likely be held on Saturdays. If you have particular patterns you would like to see tied or would like to volunteer to help with one of the clinics, please contact Bob Krumm at 307-673-1505.

Meeting Frequency

BHMF/LBHTU is moving away from having a meeting every month. The current plan is to have four to five meetings a year and to possibly have a banquet. Come to the January board meeting for a continuing discussion of this matter. We value input from all members.

Big Horn River Program

The Big Horn Mtn Flyfishers/Little Big Horn Chapter of TU had a wonderful turnout in December. Bob and Clint Krumm gave an excellent presentation on fishing the Big Horn River. BHMf/LBHTU thanks Bob and Clint for taking time out of their busy schedules to present this program. If you have an idea for a program or know someone that would be interested in giving a program to our chapter, please contact Bob Krumm at 307-673-1505.

Electronic Newsletter

BHMf/LBHTU has commenced it's electronic newsletter option. Members who have provided email addresses will no longer receive a hard copy newsletter. A PDF file copy of the newsletter will be emailed to those members (Sorry—I forgot to do that in December). If you haven't done so yet, please provide your email address so the chapter can continue to reduce our mailing costs. If you do not have an email address, we will continue to send a regular snail mail newsletter to you. We currently send out email notices to 65 members and snail mail newsletters to 83 members.

BHMf/LBHTU Meeting Place

BHMf/LBHTU are considering alternate meeting locations. Locations suggested so far are to continue meeting at Highland Park, possibly meet at Rock Well Petroleum's office building and to possibly meet at Pablo's. The chapter met at Pablo's in the past. If you have a preference, please contact us by phone or email.
